CALL FOR VOLUNTEERS

The Less is More Festival

Saturday 22 February 2014 from 9.30am-5.00pm

The Grove Library, Cnr Stirling Hwy and Leake St, Peppermint Grove

The [Less is More Festival](#) preparation is in full swing, and we'd love you to be involved! We are looking for volunteers to help us out with a few jobs, so if there's something on the list that you think you'd like to do, or something else you'd like to offer, get in touch with us at earthcarers@wmrc.wa.gov.au.

1. Kid's workshop: 1 volunteer

We need a volunteer to run an easy drop-in kid's workshop between 10am and 11am. You can have an activity in mind or we are happy to give you our suggestions! You can do it by yourself or with a friend.

2. Kid's workshop: 1 volunteer

We need another volunteer to run an easy drop-in kid's workshop between 12.30pm and

2pm. You can have an activity in mind or we are happy to give you our suggestions! You can do it by yourself or with a friend.

3. Bring & Share Cafe: 1+ volunteers

Fancy looking after our Bring and Share cafe? It runs from 11am-3pm and we need someone to look after the food, make sure the washing up station is kept topped up with fresh water and soap, ensure it's all kept tidy and generally keep an eye on things. You don't have to commit to the whole 4 hours, just do what you can!

4. Food workshop: 2 volunteers

We need two volunteers to help in our food workshop between 1pm and 3pm. Tasks will involve washing up, handing out samples and help with setting up and clearing up, and you will get to try some of the delicious food yourself!

5. Packing up: 3+volunteers

We would love people to help us with packing up between 4 and 5.30pm. There will be some lifting involved as we'll need to move furniture and take down marquees. If you want to attend the afternoon sessions and are happy to stay behind afterwards, that would be perfect!

If you can't commit to volunteering with us this time but are still planning on coming to the Festival, please consider bringing a dish to our [Bring and Share cafe](#)! There's no money involved; it's a great way to give something back to the Festival and it helps feed our hungry presenters, who are donating their time and need refuelling! Last year people brought muffins, sandwiches, biscuits and quiche and it was a great success. Of course, you're welcome to help yourself to the other delicious goodies at the cafe too!
